Subject: Reminder: Review of Mailman list (educause_student_survey) required to avoid dele on

Dear Mailman List Administrator:

We are writing to you about renewing your Mailman email list(s). As a Mailman list administrator, you are required to take action before October 28, 2020 to renew your Mailman mailing list(s).

The Office of Information Technology (OIT) routinely deletes Mailman lists that haven't been used in more than a year. This step is needed for the security, reliability, and performance of the Mailman system.

The list you administer, educause_student_survey@email.rutgers.edu, has not been used since our last review of Mailman lists and will thus be removed if you don't use it before October 28, 2020.

What do I need to do?

To keep the list active, please post to the list once before October 28, 2020.

Posting shows that the list is still in use, and it can also serve as a reminder to list members that they are subscribed to the list.

Again, if you do not post to the Mailman list educause_student_survey@email.rutgers.edu before October 28, 2020, the list will be deleted.

Questions?

For further assistance, please email help@oit.rutgers.edu or call the Help Desk at 833-OIT-HELP (648-4357).

Thank you,

OIT Help Desk
