

Rutgers Tech Matters

August 2025

Prep for the fall semester with tech resources

Kick off the semester with practical advice on staying connected, using essential software, and protecting your accounts. This [back-to-school tech tips article](#) offers a helpful checklist for getting tech-ready. You can also find other useful resources in the Rutgers IT Newsroom's [back-to-school section](#).

Don't be the next cyber target

Cyber criminals are targeting large institutions, like Rutgers, more frequently. A little awareness goes a long way in keeping Rutgers secure. Stay protected from cybersecurity threats by [downloading this flyer with key tips for spotting cyber and phishing attacks](#).

NotebookLM research assistant now available

Google's AI research assistant, NotebookLM, is now available at Rutgers. Upload documents, webpages, and videos, and then use Google's AI to produce study guides, podcasts, and other materials. You'll need a ScarletMail account to access NotebookLM. Learn more about [getting started with NotebookLM](#).

Need to create a survey or form? We've got tools for you

Looking to send a survey or create an online form? [Google Forms and Microsoft Forms](#) offer simple, easy-to-use options.
