

DON'T IGNORE IT, REPORT IT!

Ignoring or deleting phishing emails allows cybercriminals to continue their activities unchecked. When you report a suspicious email, you help protect yourself and others at Rutgers from potential threats!

IDENTIFY AND REPORT:

1. Look for suspicious sender addresses
2. Beware of urgent language
3. Don't provide personal information
4. Forward email to **abuse@rutgers.edu**
5. Report using the **Phish Alert Button**
