

Tech resources for Rutgers faculty and staff—March 2026

Shortening links and starting tech careers

Did you know that the go.rutgers.edu link shortening tool was built by Rutgers students? This [Rutgers IT newsroom story](#) explores how the homegrown tool serves the Rutgers community and helps to jumpstart students' tech careers.

Duo update: Phone call option removed

Rutgers has removed phone calls as a Duo two-step login option to improve security. Most users are not affected and already use more secure methods, such as a three-digit code (Verified Duo Push). [Read more about the change and available verification options.](#)

Analyzing fight songs leads Rutgers sophomore to Big Ten victory

Sakshi Sowmya Aravind knows that RU Rah Rah means victory. Read how the [Rutgers Business School sophomore's data visualization project](#) claimed the top prize in a Big Ten Academic Alliance competition.

Design on the fly with Adobe Express

Create graphics, social media posts, and presentations quickly and easily, all without the need for advanced design skills. [Get your Adobe Express account](#) and tune into tutorials to get started.
